Revision of OIML B 8:2004 “OIML Financial regulations”

As a consequence of the changes in the OIML accounting procedures following the implementation of IPSAS accounting methods, the OIML Financial Regulations (OIML B 8) have to be revised. The draft also includes amendments bringing the provisions of OIML B 8 more in line with the provisions of the Convention (OIML B 1).

The draft revision of OIML B 8 is submitted to the 47th CIML Meeting for approval and a draft resolution will be proposed to the 14th Conference.
